*VISION STATEMENT.....“The Mission of Emmanuel Lutheran Church is to be a mission-station to equip the diverse people in our area with the love and power of Jesus.*

## OCTOBER 2019

Dear Members of Emmanuel,

I just want to say, “Thank you,” for your welcome and trust as your vacancy pastor. It is a joy to serve you again. Every one of you has been more than gracious. I truly enjoy serving our Lord Jesus in your midst. I hope He will use me in a powerful way to make a difference in your lives and the life of the church.

I have made it a practice to pray that God prepares the right servant for you that you may flourish spiritually in His kingdom. I also pray that the Lord prepares you to receive your new pastor as His servant; and, that together, His purpose for your witness in Tell City will be fulfilled.

My phone is 812-459-6476, and my email is [bobjoarein@wowway.com](mailto:bobjoarein@wowway.com). Have a question or a need for pastoral care? Please feel free to contact me. I will try to make myself available to fit the congregation’s schedule, but I will want to limit the times I make the trip.

I know that God promises to be with us all the way.

In His name,

*Pastor Bob*

### Annual SOUP SUPPER

The date for our **Annual Soup Supper** this year is October 12<sup>th</sup>. Every member is needed to help in some way to make this a successful project. The work begins on Friday morning around 8:00 at our building south of the parking lot with cooking the meat for the soup and cleaning the vegetables. This continues through early afternoon for anyone who can help.

The day begins early for some on Saturday as they grind all the soup ingredients beginning at 5:00am. Another crew is working to get the ten seventy-five gallon kettles ready. By 8:00 the vegetables are starting to cook and shortly there will be close to seven hundred gallons of soup being stirred.

Another group will start to barbecue three hundred and twenty chicken halves along with one hundred and fifty pounds of potatoes with the schedule set at serving carry-outs beginning at 2:00.

Serving begins in the church basement at 4:00 and again this takes a lot of help to do all that is involved in serving our friends and neighbors over the course of the evening.

This is a large under-taking for Emmanuel congregation. If you haven't signed the work sheets in the Narthex please consider helping. It is a great time to work with fellow members and enjoy a day of fellowship.

The Soup Supper Committee appreciates everyone's hard work and dedication to make this another successful Soup Supper. We do need everyone's help. Thanks!

studies are underway. Anyone who would like to attend is more than welcome. WOW Kids are studying The Sermon on the Mount. We spent several weeks discussing The Beatitudes. God has blessed each of us in so many ways and we should always look to Him in all we do. We also want to treat people in a kind manner. We will be putting stickers on the soup and chicken containers for Soup Supper. We also made care packages to send our college students.

**The Little Lambs Preschool Class**

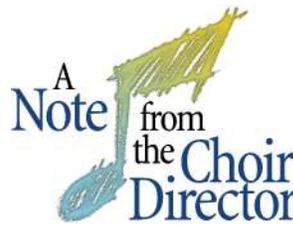

is making a booklet of all their lessons this quarter. They are learning Bible stories such as Adam and Eve, the fall of man, Noah and the Ark and Abraham, just

to name a few! They are creating things to help them learn, and we always squeeze in time for songs! Perhaps their favorite is what they call "The Shaker Song!" in which we sing "I love to praise Him" and shake maracas! We love each and every Little Lamb! Neal and Renate

Our **Women's Guild** have a busy October ahead. Activities coming up involve the soup supper, bake sale, and the Installation reception for Pastor Rusert and Lori. We are happy with the interest in our group. If you have any questions, ask.

Blessings to all working together for a purpose, our gateway to heaven. Verona

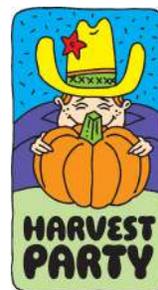

The choir is busy preparing for a lot of exciting Sunday's in October. On October 20<sup>th</sup> will be the Installation of Pastor Rusert and October 27<sup>th</sup> will be Reformation.

Perhaps you are not able to commit to a full year of choir practice but still enjoy singing in a choir. Come join us for 3 practices, October 9<sup>th</sup>, 16<sup>th</sup> and 23<sup>rd</sup>. We are working hard to make a Joyful Noise Unto The Lord and would love to have you join us. If you have any questions feel free to give me a call! Pat E. 734-777-6729

The kids are doing wonderfully as they learn their hymns of the month! September's was "How Great Thou Art." I love hearing them sing during church with all the adults. The last hymn of the

month for this year will be in October. After that, families seem to be gone for holidays and then it's Advent season! So we've decided to wait on learning more. There are fun songs to still learn, but congratulations to our kids for learning the first verse of 10 new hymns this year! We will continue to learn and sing fun songs during Sunday School's opening. We invite all children to come and receive God's Word during Sunday school. Renate

The Sunday school will be sponsoring a **Harvest Party** on October 30 at 5:00. We will have a taco bar for dinner. be decorated before the event begins. We will provide the candy and prizes. Come dressed up in your Halloween costume and trick or treat with us! If you have any questions, please ask Kay.

A 30 minute Lutheran worship service for Shut-ins and others who are unable to get to church is broadcasted every Sunday **DirectTV Channel 377 at 10:30am or anytime at [www.worshipanew.org](http://www.worshipanew.org)**. Broadcasting now for 35 years this program is heard in 12 states with the potential of reaching 10 million people. Please share this information with those you know who might be blessed by viewing this service. The following is this month's sermon themes and related scripture.

### October 6 "Spirit of Power"

God always gives what God's people always need at the time it is always most effective. The Apostle Paul reminds us that God has not given us a spirit of timidity but the Spirit of Power. What does this mean? While it doesn't mean we can leap tall buildings, it does mean God does not desert us in the midst of extreme challenges. In fact, He is with us to grow us in faith in Jesus. (2 Timothy 1:1-14)  
Rev. William Mueller, Suburban Bethlehem Lutheran Church ~ Fort Wayne, IN

### October 13 "I'm Grateful"

"I'm Grateful" not only is the appropriate response all the blessings of body and soul given to us by our great God, but it also has the power to change the lives of those around us and even shape the world in which we live. An attitude of "I'm Grateful" is a gift from God in response to the gifts of God, especially the "inexpressible Gift" of our Lord and Savior Jesus Christ. (Luke 17:11-19)  
Rev. Dr. Thomas R. Ahlersmeyer, Holy Cross Lutheran Church ~ Fort Wayne, IN

### October 20 "Total Protection"

We live in a dangerous world. But Psalm 121 assures us that we have total protection from God. The good news is that God guards us in all aspects of our life. (Psalm 121)  
Rev. Dr. Walter A. Maier III, Concordia Theological Seminary ~ Fort Wayne, IN

### October 27 "Trust in Jesus"

The Reformation was a miracle done purely by God's grace, which returned the church's focus to faith in Jesus Christ. Today the church is struggling in the United States with continuing decline. But that is nothing new, as John 8:31-26 shows us. The basic message has been the same yesterday, today, and into the future: Trust in Jesus. (John 8:31)  
Rev. Dr. Lawrence Rast, Jr., President of Concordia Theological Seminary ~ Fort Wayne, IN

# A harvest of...

Autumn brings many visible changes. God makes lots of foods and grains ready for harvest. He also tells us that if we sow in peace, we, too, can raise a harvest.

Find and circle the bold (dark) words from James 3:17-18, NIV.

**OCTOBER 27<sup>th</sup>**

Come to me, all who labor and are heavy laden, and I will give you rest (Matt 11:28).

Seminary has officially started! I finally have met the rest of my class. We are a very broad spectrum of backgrounds, ages and hail from all over, even Alaska! We had orientation, hearing from all different campus offices and organizations all day Friday and Saturday morning before classes started on Monday the 9<sup>th</sup>. Probably the best take away I had from this session was Dr. Bushur comparing us to seeds planted in a field and the faculty as merely farmers. The farmers can cultivate but ultimately God is the one who will cause us to grow and produce fruit.

Saturday evening the summer Greek guys had a cookout over at a classmate's house. It was good for us to get together and chat and warm back up to the school schedule. My break was super busy at home helping my brother clear out space for a new work area in the shop. I also took some time to make some bookshelves and a prayer kneeler for the dorm room.

The opening chapel service was quite an ordeal. All the new students were part of the processional along with the faculty and the pastors presiding over the service. I was dressed up with suit and tie that I got from the co-op. All my classmates looked sharp. We all were in the front of the chapel right by the pulpit. After the ceremony we had a brief field work class and then went to the opening day cookout.

Up to this point we, as new students, had been "wined and dined" but now it was time to get to work. The first week blew by making sure all the paperwork was in and complete, getting into the rhythm of classes, three chapel services a day, and my work at the co-op everyday along with the loads of reading and homework that is required along the way. I've certainly burned the midnight oil a few times just to try and keep pace.

It's difficult to pick a favorite class at this point. I would say that Dogmatics with Ziegler is probably the most engaging. I do like his German sense of humor, too. One day in class he said, "Theology is not a beautiful bridge to nowhere but takes us somewhere." His intent was to show that something that sounds so abstract and academic as "theology" has real, practical and powerful implications. It's construction matters. Just like the Golden Gate Bridge, the construction has purpose as well as beauty. Therefore theology needs to be built of the best materials, namely Scripture itself and then be accessible and useful to all believers.

Part of the Liturgics class is the singing lab I eluded to in my last newsletter. There are only four of us in my section. In my first session Cantor Hildebrand had me figured out in a hurry. I sang not only Joy to the World but also the psalm a couple notes lower than everyone else. I'm mentally thinking, "I'm a bass," so I need to be lower than everyone else. The funny thing was when I sang by myself with a cue from the piano I was right on key! He was very good at keeping the lab low key (no pun intended) and fun.

On Monday the 16<sup>th</sup> I received my field work assignment. I will be serving and learning from the staff at Emmanuel which is on West Jefferson in downtown Fort Wayne. Also assigned there is one of the Deaconess students, Christianna. I met Pastor Eggold when I was there over the summer for one service. He's very engaging and pleasant to be around. The church is a larger congregation with 2200 members and dates back to the 1860's. They have a school and teach 4-8 grade there with the K-3 at St. Michael's in town. Several retired pastors, a couple of my professors, and even the now retired Indiana District President May are members there.

Another great little aside was from my Bib & Tech class. It's a class to get us familiar with finding all the resources in the library. The first day of this class Dr. Rothmeyer gave us a tour of the library and even showed us a couple of the rare books. One was a genuine 1580 Book of Concord! It had an oak and leather binding with metal finishes on the corners.

In my "spare time" I've been trying to help out my brothers with repairs and projects. I helped one replace a tie rod end on his car and another fit some of the doors in his house so they open and close properly. It gives me a chance to relax the mind and still be productive.

It's more evident everyday how much of a blessing it is for a student to be supported by those of you throughout the Synod. I am thankful that your generosity allows me to focus more on the work at hand. May God the Father, and the Son, and the Holy Spirit bless you throughout your days. Amen.

Daniel
